Dear Parents/Carers

Traffic Congestion

The new term has started well and I am grateful to you for sending your sons/daughters to us looking so smart in their school uniform.

Traffic on Common Lane and surrounding areas continues to be a source of frustration to us all. Whilst I appreciate that many of you would like to drop off at the school in the mornings, staff and the school buses are finding it difficult to get onto the site.

Please note that at 8.10am every morning, the Academy's Site staff will be at the school gates and only staff, buses and permit holders will be allowed to drive through the gates. I would ask you to treat the staff on duty with respect, as they are just doing their job. We will keep this under review and will advise you of any changes.

Please also note that staff will also be on duty at the school gates at the end of the day so that buses can pick up after school.

The size of the roads and volume of traffic is a matter for the Highways Agency and outside the control of Academy staff.

Thank you in advance of your support.

Yours sincerely

Tracey Trusler
