Dear Parent/Carer

Arrangements for the End of Module 5

The last day of Module 5 will be on Friday 27 May and the timings of the day remain unchanged.

If your son/daughter has GCSE/BTEC examinations in Module 6, there is a comprehensive booster programme running throughout the May holiday. All of the details regarding this can be found on the Academy website. Please encourage attendance at these sessions as they play an important role in helping students prepare for their exams.

As you know, we insist on high standards of behaviour and respect for others whilst students are wearing their Academy uniform. The vast majority of students at the Academy are a credit to their families and the community. Regrettably, it has come to our attention that a small minority of younger students on the 477 and 414 buses are not conducting themselves appropriately. We are seeking to identify these students who will be dealt with accordingly. This could include being banned from using the bus services. We would be grateful if you could reinforce the messages at home.

Furthermore, from Module 6 onwards, with the exception of Post 16, students will not be permitted to wear any make-up whatsoever, including fake tan.

There has been much to celebrate so far this year and we look forward to continued success when we return for Module 6 on Monday 6 June.

Wishing you an enjoyable and relaxing break.

Yours faithfully
