Dear Parents/Carers

Parent Info News

The above news feed is designed to support parents/carers of secondary school students. We have attached a link to the Wilmington Academy website and can be found at: Home/About Us/Parentinfo News. This has also been placed on the academy's Facebook page.

The news feed contains updates and information on a range of issues from Online Safety, Health and Wellbeing, Sex and Relationships, Family and Education issues.

None of the content represents the opinion of Wilmington Academy but we feel that as parents/carers, you might find it helpful.

Yours faithfully
