Dear Parents/Carers

e-Safety Evening - 24 November 2016 - 6pm - 7pm - Learning Resources Centre (Library)

I am writing to invite you to an e-Safety Evening at Wilmington Academy. We are repeating an information evening about issues of online safety that we ran last year. The aims of the evening include:

1. Advice on how to help students use the internet wisely
2. Latest information on sexting
3. Explaining what Wilmington Academy is doing about online safety
4. An outline of the legal framework in this area

The evening will be a mixture of presentation, discussion and activities. It will be an opportunity to find out the current thinking and guidance on this important issue, a chance to share ideas and to create a dialogue between you and the school. The session will be for parents only; it is not for students.

If you are interested in attending then please either email tim.reffold@wilmingtonacademy.org.uk or send a note via your child to Mr Reffold.

Please contact me at school if you require more information.

Yours faithfully

Mr Michael Gurney
Assistant Principal
