

17th March 2017

KSA/LME/Peru

Dear Parent/ Carer,

Wilmington Post 16 is incredibly excited to be working with Camps International to offer a trip to Peru in the summer of 2018. The trip is open to students in Years 10, 11 and 12. Students will complete volunteer work along seeing incredible sites such as the floating Uros island of Lake Titicaca, the colonial history of Cusco, and of course, Machu Picchu.

Your child has attended an assembly this week, and we are hosting a parents' information evening next week.

Please find attached a letter from Camps International with more information, and we look forward to seeing you at the Information Evening, **23rd March at 6.30 pm**.

Yours faithfully,

Kathleen Sanders
Co-Ordinator of IBCP and Post 16 Pastoral
