Dear Parent/Carer

**Year 7 Science End-of-Year Exam**

On Tuesday 27 June your Year 7 child will be sitting their end-of-year science exam, this exam will cover everything your child has learnt since joining in September. It will show how your child has progressed this year and, along with other class tests and assessments, will be used to set your child for Year 8.

We will be running revision sessions after school, these will run from 3.40pm to 4.40pm and we highly recommend attendance. The sessions are on the following dates:

Date	Topic
Monday 12 June	Biology
Thursday 15 June	Chemistry
Tuesday 20 June	Physics

For revision at home, your child has access to the digital textbook via [www.kerboodle.com](http://www.kerboodle.com) and they also have their revision guide. Below are the page numbers of these books that are relevant for this exam:

Chapter	Pages in textbook (blue book on <a href="http://www.kerboodle.com">www.kerboodle.com</a> )	Pages in revision guide (red book purchased on ParentPay)

P1.3 Light	136-147	87-90
P1.4 Space	148-157	103, 104

Please encourage your child to revise at home; here are some ideas for how they can revise:

- Make mind maps/ flash cards from the information in the revision guide and textbook.
- Complete the end of chapter questions in the textbook.
- Learn the keywords for each topic, word lists can be found on Show My Homework.
- Complete the revision pages, activities and tests on the BBC Bitesize webpages, these are attached to the revision homework on Show My Homework.
- Complete revision activities on doddle, activities for each topic have been assigned to your child.
- Use the revision mind map on Show My Homework to get more ideas of how to revise.

If you have any questions or your child needs their Kerboodle password reset please email me on [emily.howe@wilmingtonacademy.org.uk](mailto:emily.howe@wilmingtonacademy.org.uk).

Kind regards
