Dear Parent/Carer

### **Year 11 English/Summer Revision**

To help your son/daughter consolidate their knowledge of the new GCSE curriculum and prepare them for the rigours of Year 11, the following Edexcel workbooks are available to purchase from Amazon (and other book retailers), for £3.99 each:

**Target Grade 3 - Get back on track Edexcel GCSE (9-1) Reading and Writing** (ISBNs: 9780435183257 and 9780435183288). Suggested for set 7 and 8.

**Target Grade 5 - Get back on track Edexcel GCSE (9-1) Reading and Writing** (ISBNs: 9780435183264 and 9780435183295). Suggested for set 4, 5 and 6.

**Target Grade 9 - Get back on track Edexcel GCSE (9-1) Reading and Writing** (ISBNs: 9780435183271 and 9780435183301). Suggested for set 1, 2 and 3.

Each workbook is skills based and will allow your son/daughter to practise the skills required for GCSE. It also breaks down the assessment objectives into manageable chunks and contains exam-style assessments.

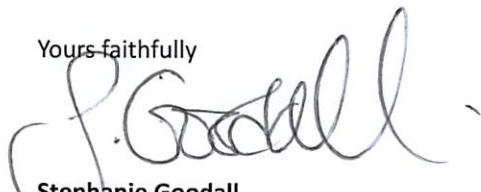

From September the whole Year 11 cohort will be reading *Macbeth* by William Shakespeare. It would be extremely advantageous if your son/daughter could have their own copy of the text to read, annotate in lesson and to revise from when they are at home. The suggested copy is:

**GCSE Shakespeare Macbeth Complete Play (with Notes): "Macbeth" - The Complete Play Pt. 1 & 2 (Gcse English Annotated Text)**. ISBN: 9781841461205.

Again this is available inexpensively from Amazon and other book retailers. Students really benefit from having their own annotated copy of the text, especially on the run up to the actual GCSE English Literature exam.

Thank you for your ongoing support, I wish you a wonderful summer and look forward to meeting you at the Year 11 information evening in September.

Yours faithfully

**Stephanie Goodall**

**Director of Learning for English**
