Dear Parent/Carer

The GCSE History student revision books are now in for each of the four units that the students are studying.

The units are as follows:

- Weimar and Nazi Germany 1918-39
- Superpower Relations and the Cold War 1941-91
- Medicine and Surgery in Britain 1250 – present
- Anglo-Saxon and Norman England 1060 – 1087

Each of the books normally costs £5.89, however we have purchased copies for our students and they are available at £2.50 per book, a saving of 60%. All books can be paid for via your child's ParentPay account and when purchased students can then collect their revision books from either myself or Miss Hathorn.

I cannot understate the importance of revision for GCSE History as there is a significant level of content recall necessary in each exam if a student is going to be successful, and the earlier students start revising regularly, the more impact it has. (This is particularly true in the new style GCSE papers.) We will also be using these books in the weekly GCSE History revision sessions to enable the students to focus on the key learning points in each topic.

If you have any further questions, or require any clarification around the GCSE History course, please do not hesitate to contact me.

Thank you for your support.

Yours faithfully

Pete Devlin
Head of College - Apollo
