

15 November 2017

Dear Parent/Carer

### **Whole School Action Day**

On Friday 17 November 2017 we will be delivering our second 'Action Day' of the year. On these days we cover a wide range of topics, related to Spiritual, Moral, Social and Cultural education, as well as Personal, Social and Health education. These lessons are very much geared to each year group level so please don't worry. It is the aim of the government to ensure that students are well versed with these areas of their education. It is felt, through evidence, that those students who have a greater understanding of the issues can make better choices for their future.

The theme for the day is 'Staying Safe', during which students will explore different issues around the world to gain a greater understanding of the important issues that affect their daily lives.

**Our Year 9 and 11 students will be participating in number of activities so will need to bring their PE kit but must be in school uniform.**

We are sure that the students will have a great day exploring a wide range of issues.

Yours faithfully

**Pete Devlin**  
**Head of College (Apollo)**
