6 November 2017

Dear Parent/Carer

YEAR 7 PARENTS' EVENING: Thursday 23rd November 2017: 4:30PM – 8:00PM

I am writing with regard to the forthcoming Year 7 Parents' and E-Safety Presentation Evening to be held on Thursday 23rd November 2017 from 4:30pm - 8:00pm.

Parents' Evenings are an opportunity for you to meet with all of your son/daughter's subject teachers and celebrate their success. Teachers at each appointment will discuss your son's/daughter's progress and agree individual targets to help your son/daughter achieve their potential. In addition, you can raise any concerns or address any subject-specific issues you may have. Attendance at events such as these are vitally important in helping students progress and we ask that you make every effort to attend.

All students will be given an appointment sheet by their form tutor to record their appointments. Students must then see each subject teacher to agree an appointment time. Appointments are allotted by teachers on a first-come, first-served basis. If you require specific timeslots, please encourage your son/daughter to see their teachers as soon as possible.

In addition to the above opportunity to meet with the teaching staff, you may, of course, contact any member of the teaching staff via email (please contact your child's college admin. office for individual email addresses).

There will be two E-Safety presentations at 5:00pm and 7:00pm, which will be held in the Library. We encourage all parents to attend, so that they are aware of the risks and potential consequences associated with electronic devices.

As an academy we believe that parental engagement is an essential precursor to academic success and look forward to seeing you on Thursday 23rd November.

Yours faithfully

Mr M Gore
Associate Principal
