Dear Parent/Carer

I am writing to inform you of the excellent conduct that the students of Year 11 presented towards their recent mock exams. The Examination's team were very impressed with the attitude and conscientious approach that students exhibited.

Please find attached the Module 3 Weekly Revision Programme available to students after school between 3.00pm-4.30pm.

The programme is carefully designed so that each student has access to the breadth of subject areas during the week. Additionally we have displayed key dates for students to be aware of in Module 3.

There are a mixture of both 'official' and mock exams which we encourage students to plan and prepare for in order to achieve the best outcomes in the summer.

Thank you for your support.

Yours faithfully

Mr M Gore
Associate Principal
