7 February 2018

Dear Parent/Carer

Please be aware of the after-academy opportunities for Year 11 students to revise and receive extra specialist tuition from our staff.

The programme is designed for students to have access to a range of subjects across the week.

Attendance at these revision sessions has proven to make a vast difference to the results students receive in the summer.

Thank you for your support

Yours faithfully

**Michael Gore**  
Associate Principal
