1 March 2018

Dear Parent/Carer

On Tuesday 6 March 2018 we will be delivering our second 'Action Day' of the year. The theme for the day is 'Our Lives, Our World' and we will be covering a wide range of topics related to Spiritual, Moral, Social and Cultural education, as well as Personal, Social and Health education. These lessons are very much geared to each year group so please don't worry. It is the aim of the government to ensure that students are well versed with these areas of their education. It is felt, through evidence, that those students who have a greater understanding of the issues can make better choices for their future.

Our Year 7 students will be participating in number of activities so will need to bring their PE kit but must be in school uniform.

We are sure that the students will have a great day exploring a wide range of issues.

Yours faithfully

Pete Devlin
Head of College (Apollo)
