**PLEASE READ CAREFULLY**

Dear Parents/Carers

As you are no doubt aware, the bulk of the GCSE examinations have been completed but are not over until the end of June. We are very proud of the mature approach adopted by the vast majority of our students during this time.

On 8 June students will be dismissed from the Academy after their scheduled English Exam except for History students who have their booster session and examination in the afternoon.

**A reduced timetable will be in effect from Monday 11 June - Friday 15 June.**

Please take note of the times of booster sessions, examinations and early finish **for students that have completed BTEC work.**

Students should continue to:

1. Follow the new reduced timetable.
2. Attend Product Design lessons until final examination
3. Attend BTec lessons to complete all work to a high standard.
4. Wear full school uniform whilst on site.
5. Go off site when they do not have lessons/revision.
6. Sign in and out at Main reception for Health and Safety reasons.
7. Maintain high standards of conduct, which are expected at all times in the academy and the local community.

Your support in encouraging students to continue to revise would be appreciated

Yours faithfully

**Michael Gore**  
Associate Principal
