Dear Parent/Carer/Student

Year 12 & 13 Collection of examination results

Year 13 students can collect examination results from the Lecture Theatre between **8am and 10am on Thursday 16 August 2018**. A destinations questionnaire has to be completed and support with UCAS applications will be available.

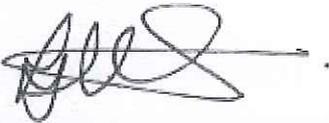

Year 12 students can collect their vocational examination results from the Lecture Theatre between **10am and 11am on Thursday 16 August 2018**.

Year 12 students who are required to attend a transition interview, will have their appointment times allocated and shared during Project Based Learning (w/c 16 July 2018).

If you are unable to collect your results and wish your exam results to be posted home then you need to hand a stamped and addressed envelope to Mrs Daly (Examinations Officer) by the end of term.

If you would like a relative or friend to collect your results on your behalf, they would need to bring a signed letter from you giving consent for them to do this.

Yours faithfully

Rebecca Roberts
Head of College - Jupiter
