Dear Parent/Carer

Mobile Phones/Smart Watches in School

Due to the continued inappropriate use of mobile phones and smart watches, we have decided that students, apart from Post 16, will not be able to use these items at anytime during the school day.

Mobile phones/smart watches must be switched off before students enter the academy building and remain switched off until students leave the academy at the end of the school day. This does not mean mute or on silent. Mobile phones and smart watches should not be visible or heard. They will be confiscated if either of these things happen. Students can collect their confiscated item at the end of the school day from their College Admin Office, but will be given a one hour detention. If it happens again, parents/carers will be asked to collect the device at their earliest convenience.

Should communication between a student and their parent/carer be necessary, your son/daughter should go to their College Admin Office and ask to use the telephone during break time, lunch time and at the end of the school day.

This will take effect as from Monday 15 October 2018.

Yours faithfully

Tracey Tusler
Principal
