The 16-19 Bursary Fund is a limited fund and the Academy will prioritise allocation. There will be three priority groups, categorised as high, medium and low.

High priority group

- Are currently in care (as defined by social services)
- Are leaving or have recently left care

- Are disabled and in receipt of both Employment Support Allowance and Disability Living Allowance/PIP

Eligible students will be guaranteed a £1200 bursary for costs such as transport, equipment etc.

Payments will be made at the start of each module (i.e. 6 times per year)

Medium priority group

Students who fall into any the following category:

- Have a gross annual household income of below £20,000
- Teenage parents not in receipt of income support

Eligible students in this group, if they apply to the 16–19 Bursary Fund by 16th September 2018, may be eligible for a contribution towards:

- The cost of transport, essential course equipment, trips, uniforms, materials, etc
- A possible cash bursary, of at least £100, if aged less than 19 on 31st August 2018, dependent on meeting agreed behaviour criteria. This will be subject to availability of funds
- Financial support towards childcare costs and exam re-sit fees if aged less than 19 on 31st August 2018

Payments will be made three times per year

Low priority group

- Have a gross annual household income of between £20,000 and £25,000

Those in the low priority group will be considered for funding based on the Academy allocation and subject to available funding after those in the high and medium priority groups have been awarded. In some cases awards may not be made until after 31st December 2018. Students in this group may get a **contribution** towards the cost of essential course equipment, uniforms and transport costs (they may also receive a cash bursary if aged less than 19 years of age on 31st August 2018, if funds permit).

Payments will be made on a needs basis.

Applications

A 16-19 Bursary Fund Application form must be completed and returned to the Post 16 admin office by 16th September 2018 to ensure receipt of any bursary funds in line with the dates advertised. Any applications received after 16th September 2018 will still be considered under the same criteria but any payments may be delayed.

Criteria

Receipt of any funding is dependent on *Positive Attitude and Application*

The criteria are:

Punctual attendance at all timetabled lessons including enrichment and classes in other centres.

Appropriate behaviour at all times

Appropriate application in your work so that all deadlines for homework and coursework are met.

Absences

Absence due to sickness for more than three days needs to be supported by an SC2 form (self-certification sick-note) obtained from your medical centre. For sickness of one or two days a letter from parents/carers is required within three days of the absence. Persistent short term illness may not be authorised. Failure to provide the required documentation will result in the absence being recorded as 'Unauthorised'.

You must inform your tutor prior to any events which are listed below:

Hospital/Orthodontist/Doctors' appointments (a maximum of ½ day absence will be automatically authorised), Interviews, University Open Days, Driving Tests, Connexions Appointments, Principal Student Voice Official Business, Study Leave etc. Where possible the above appointments must be made outside lesson hours. Teaching staff must be informed in advance and not after the event, otherwise this could lead to non-payment. Absences known in advance will be credited.

Holidays must not be arranged in term-time.

Religious observances during term time approved by the Academy will be authorised – you must inform your tutor prior to the event so your absences can be authorised.

Extended leave is treated as a holiday – see above.

Absence during examinations will only be authorised if the absence is due to illness when a doctor's note will need to be produced.

Absences due to personal issues e.g. for a funeral of a close relative/friend or for time off for family matters, authorised absence may apply at the discretion of the Academy. Where possible you must ask permission first before time off is taken.

Absence due to disciplinary procedures will lead to suspension of any payments.

Both you and your parents/carers may be asked to attend a meeting to discuss your appeal or it may be decided on the basis of your written submission.
