Dear Parent/Carer

All students and teachers now have free access to Seneca - a revision and homework platform making studying more fun. Seneca is an interactive way to learn official course content. Their web app covers 150+ exam board specific courses condensing what students need to know for their exams. The software is able to identify gaps in learning. For instance, when you get a question wrong, the platform will repeat the topic in different formats and their smart algorithm has proven to make students remember topics 2x faster. Seneca is totally free for students, teacher and parents. You can sign up via senecalearning.com.

Yours faithfully
