5 September 2019

Dear Parent/Carer

Year 11 Parent Information Evening – Thursday 19 September 2019

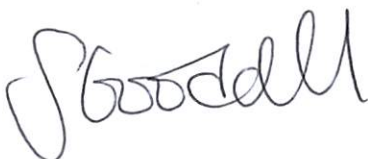

It is our pleasure to invite you and your son/daughter to attend a Year 11 Parents Information Evening on Thursday 19 September from 6.00-7.00pm in the lecture theatre. The evening will include presentations from the Directors of Learning for English, Maths, Science and Humanities, will outline the GCSE programmes of study for 2019-2020 and explain how we can work in partnership to best support your son/daughter. The evening will cover the following information:

- Specification of the Year 11 courses
- How the GCSE programme is weighted i.e. coursework and examinations
- Key dates
- Key members of staff and their email addresses
- Opportunities of support for your son/daughter
- Key resources that will support the learning of your son/daughter
- What parents/carers can do to support

It is very important that you attend this event as you will be given the most up-to-date information regarding the examinations, key deadlines and opportunities for revision sessions, as well as direction towards a range of subject-specific study and revision resources. There will also be members of the teaching staff available, who will be able to answer any questions or queries that you may have.

We look forward to seeing you and your son/daughter at this event.

Yours faithfully

Mrs S Goodall
