Dear Parents/Carers

Year 11 Reward Programme - 'Reach for the Stars'

To motivate and engage students towards their exams, a Year 11 raising standards student group have created a 12 week programme where all Year 11 students can achieve rewards for their effort in class, attendance at school and attendance at revision sessions. A weekly Student Support Manager (SSM) 'Star of the Week' will also be issued – two per college.

The programme will start from module 4 and end on the last day of module 5. Teachers will award effort points to students in their class which tally up into 'Stars'. The more stars a student receives the more rewards they earn 3 effort points equates to 1 star.

Rewards range from: 'Fast-Track' lunch pass, food, drink, vouchers or money off Prom tickets.

Students can monitor their progress via a tracker found in the corridor next to the library.

The programme was very successful last year and students who engaged with the programme made considerable progress.

Previous student quote:

'Reach for the Stars is really good because it motivates us to do well because we get lots of stars for turning up to revision classes and staying focused in class'.

Yours faithfully

Michael Gore
Associate Principal

Reach for the Stars

Year 11 Reward Programme

How do I get rewards?

Rewards are based on effort and engagement
 3 effort points = 1 star
 1 effort point = Attendance at 1 revision session
 100% Attendance in each module = 2 stars

How long is it for?

12 week programme starting from module 4
 until the end of module 5

Rules

In every year 11 lesson, a teacher may give up
 to 3 effort points based on effort and engagement.
 Points will be tallied on a weekly basis and displayed
