

LEV/lme/Induction2020

23 June 2020

Dear Parent/Carer

### **Year 12 Induction Programme 2020**

As you are aware your child has applied and has been offered a conditional place here at Wilmington Academy to continue their studies at Post 16. It is normal around this time for us to invite them to attend our induction programme, however, given the extraordinary circumstances we face it would be impractical for us to do this face-to-face.

Therefore, we are pleased to be able to launch our new induction website for students:

<https://sites.google.com/wilmingtonacademy.org.uk/p16induction>

Expectations are for students to complete the induction programme (located under the induction tab). This will require them to complete the assigned tasks for each of their chosen subjects. All completed work will need to be submitted to their subject teachers in their first lesson and will be used to assess their suitability for their chosen courses, as well as provide vital information for teaching staff to support students. Students are also encouraged to complete the 'Beyond the Qualifications' tasks in order to better prepare themselves for the step up to level 3 study.

If your child is yet to return their admissions form, this can be located under the admissions tab on the website. Completed admissions forms can either be posted into the academy (FAO: Lesley Elson) or alternatively, can be returned via email to: [lesley.elson@wilmingtonacademy.org.uk](mailto:lesley.elson@wilmingtonacademy.org.uk).

Should you have any questions regarding the site or work, please do not hesitate to contact me via email on: [lauren.evans@wilmingtonacademy.org.uk](mailto:lauren.evans@wilmingtonacademy.org.uk).

We hope that they will be able to experience as close to normal induction as possible, and hope that these resources will go some way to helping them prepare for their level 3 studies in September.

We look forward to welcoming them in September.

Yours sincerely

Miss L Evans  
**Director of Learning – Post 16**
