

Calling all employers!

As we continue to develop links with local and national businesses there are increasingly more opportunities for collaboration and interactions with employers.

Our new Business Engagement lead has already facilitated Business Breakfasts and opportunities for representatives from a range of organisations to come into school, but we are hoping to expand the team further.

Ways that you could support us:

- Offer work experience placements,
- Offer site visits,
- Deliver workshops for students,
- Create resources to develop knowledge of the workplace e.g. virtual tours,
- Conduct mock interviews.

If you think that you may be able to help please get in touch.
